Thanks to the setting out team Frank P, Richard T, Roger S, Charlie C, helped by Derek S and Paul C, for all their work during the week, clearing sections, setting out, and then having to rejig them after the heavy rain on Thursday night.

Thanks also to Pat P for help at signing on and observing and Richard T and John C for observing too.

Some riders dropped a route, some retired, but I hope you got a bit of fun along the way. Well done to those who completed 3 laps of 13, a few more sections than we normally have. The rain affected the ground conditions, but at least we had lovely weather for riding. The youngest to complete was Tommy Wakeford and the oldest Dave Harris an age gap of about 80 odd years! Hopefully I have assigned everyone to the correct class. A few ghost riders appeared on the scorecards, the riding numbers not registered at signing on! Specsavers? The odd score was missed in this instance I put an average score for the section, so there could be a slight difference from what riders expect.

A vast range of scores in the classes, congratulations to the winners Thomas Moss, Ian Wakeford, Frank Puttock, Steve Wadey and Tommy Wakeford. Pics are on MossTrialPics Fbook. Hope to see you in May - new venue.
