| <p>A wet forecast put a few riders off and the Experts and others were saving themselves and their bikes for the SE Centre round the following day. They all did the club proud in tricky conditions -results for those interested on Ashford MCC Facebook page.</p> <p>The weather was kind, just damp, with the few riders attending having a slog on the more slippery sections 4 and 5 as shown by marks lost. They all seemed to enjoy it, even recent new riders on the yellow route. A couple of retirement due to machine failures, hope will be fixed for our next trial. Thanks to Steve Stretton, Paul Chapman and John Moore for setting out, and also to them and all those who helped with clearing up</p> <p>Easter is early this year, so our March trial will be on Good Friday starting 11.00 am. Keep an eye out for details.</p> | | | | | | | | | | | | |
