Sorry for the confusion re the number of laps. Some of you rode 5 laps so had extra fun! I have only scored the first four laps though.

A really good turnout, for a well set out trial with dry conditions - twice in a row - probably a record. Thanks to Kevan Cornwall, Tony Errey and Roger Strudwick for course setting, a good mix with sections 1 and 7 taking a lot of marks. Experts scored really closely, and Section 7 provided some good pics. Blues were well contested, the higher numbers being scored by our visitors who acquitted themselves with panache. Cameron Dawson returning after about 1 year's absence taking top spot followed on 1 mark less by Oscar. Clubman again had really close scores. Nick Kennedy riding a route lower after a long absence lost a mere 2, Pete C and Steve M had their own mini contest, both on 12 with number of cleans separating them. Derek Strudwick and Dave Harris also tied on 24 with Derek two cleans better. A lot of close scores throughout the level of this class. Everyone seemed to enjoy themselves. Have an enjoyable Christmas and Happy New Year, see you in 2022. January Trial 17th, keep an eye out for details. Thanks to all the helpers who cleared up, and anyone else who helped on the day, it all makes life a little easier for the organising team. Photos will be up on Moss Trials Facebook page later tonight.
