The driest visit to Copford that I can remember, thanks to Family Peach, Adam Conway and Steve Baldock for setting out and clearing up, with additional help from Steve J and Ian. Red sections were kind, Gibbo staying clean followed by three on 1. Roger managed to stay clean till Section 8 lap 3 and Malcolm and Derek both succumbed to a dab on Section 6 lap 3 thus a tie. The blues had a tougher time with scores spanning a 13 mark gap with the exception of Oscar who went 20 marks clear (white soon?) of 2nd placed Tony Dobbs. There was some tight scoring here with two deciders on the number of cleans. Whites were topped by Jack on 6, preparing for Southern Experts the following day, Alan had a harder time probably due to the curse of setting out and then trying to conquer the sections! The good spread out between sections allowed the riders to have a good tour of the farm, and enjoy the lovely autumn day. It was a bit of a slog on foot, so I didn't see all of the sections. Newcomer Adam on his electric bike showed good skills until an electric fault halted his progress. Methinks he is a blue really! Good to see Mike Peach on his electric pedal bike following the family round, also Brian and Bronwyn. Fun reminiscences. We will be back at Squirrel Wood on the 18th for a pre Christmas, and last trial of 2021. See you there.
