Thanks to Steve Stretton, Adam Bookham and Steve Masters for setting out. Some sections tested the memory but there was a fair mix of cleanable ones and tougher muddy ones. The scores show the story. Not sure if some scores were deliberately left off, and just bad at remembering to write them down! Good to see fair turnout, any more and parking would have been out of the gate. Thanks to everyone for their patience whilst waiting to be able to leave. Good to see young Charlie S having a stab at some blues. Also a few new members with us for the first time, I hope you enjoyed your experience! Dave Harris wanted to thank Bruce Simpson and Steve Masters for helping him to untangle his chain when it got wrapped around his sprocket, he was grateful to be able to complete his ride. Anyone trying to ride for the first time or moving up a route, please feel free to ask other riders for guidance, they have all been in that situation, and are usually friendly and helpful with giving advice. We are at Crowborough next month, details next month after our Committee meeting.
