Results at last! Despite the very warm weather it was pleasantly cool in the woods. Good to see Roger back trying his ribs for a lap or two, and Henry after a long gap, following his knee surgery. Also Keith in spectator mode with his mate visiting from Australia. Reds section 1 and 2 were tight first lap and then were slackened off, blues also had some testing turns and drops. All the sections were fairly long and required concentration to the end. Richard and Mark tied on Reds, both equal cleans but Mark dabbed 1st lap section 1 so came 2nd. Malcolm had trouble holding a downhill turn and took a dive so retired, Dave also had a couple of offs but was determined to finish. Adam topped the Blues with Jonno having a rest from enduro coming second on his dad's bike. Charlie is still learning on the blue route and is improving all the time. Henry pipped Jack on Experts, a 5 on Section 6 for Jack deciding things. Thanks to the setting out team down to three on the day, and also to Anthony Evans who helped to clear the flags at the end. Next month at Chapmans Town, see you there, hopefully not too hot.
