Kudos to Roger, Derek and Keith Strudwick, Steve Baldock and Tony Errey who set out in the very wet weather on Saturday morning. Thanks also to Steven Masters who lit the BBQ and cooked bacon butties to lift their spirits when they had completed their task, before the start of the trial. A few pre entries decided to stay at home but those who did ride found the wood kept some of the rain at bay. Some sections got very slippery but the careful situation of the sections used the land to best effect. Photos were not considered, so had an almost dry ladies chat group, until the riders finished. As people were departing. the sun came out, as forecast, and a few people did BBQ some food to enjoy whilst warming themselves in the rays. Only 2 die hard campers, better luck weatherwise next camping decision. Well done all those who turned up on the day

The sunshine brought out a few more riders on Sunday. Roger and Keith had been round tweaking the 10 sections from Saturday and added 2 more in the top wood for 3 laps of 12 sections. Close scores on Experts (top 2 usually ride Elite), Steve J heading up Inters with Steve B and Kevin Mac nearly tied. Clubman could not have been much closer for the top 4 with Frank the best overall. Glenn had a huge margin on yellows maybe time for reds? Oscar continues to improve on reds and James did well moving up to reds this weekend. I think the setting out was spot on again. Thanks to ALL who were involved over the 2 days, especially Roger who took overall responsibility. Thanks for the BBQ Steve M, the canvas shelter Victoria, Observing Pat and all who helped clear up and sort the flags ready for next time. Welcome to a couple of new club members Sonny Stoatly who rode Saturday and Darren Mitchell who came for a recce, We will be at ChapmNA Town on 21 September start 1.00pm. See you all there. Also we are running an ACU South Eastern Centre Championship on Sunday 29 September at Moor Hall 10.00am, more observers needed, please let us know if you can help.
