Thanks to Derek Studwick, Frank Puttock for their section survey last week, and setting out together with Tony Dobbs and Adam Goodsell on the morning of the trial. Good to see Keith Strudwick in his new top, on his bike again, helping out where required. Thanks also to Pat Puttock for observing on section 8. Some new members rode today, Richard Talbot, clean all day, Mark Colvin and Phil Goodsell. Also a couple of visitors Roger Vinall and Scott Wilson. Good to see Cass back. Everyone seemed to enjoy the sections and the sunshine. Sections gave riders something to think about without being dangerous and results show some close scores. Well done Jack with 5 overall on the Experts. Think Alan Peach will have some maintenance to attend to, on his return from Peaky Boulders LDT! Hope to see you all again next month.
