A week's worth of sun and hard frosts enabled the trial to go ahead on a lovely day. Many thanks to Roger who scoped out the sections on Thursday, and again with Derek's help set out 6 sections on Friday. Don't know how you got the flags into the rock hard ground! Many thanks also to the members who turned up Sat am to finish the other 2. A good turnout, with a few new, and a few familiar faces joining the club. No Experts -they were saving themselves for Sunday's Sidcup Sixty, but a good number for all the routes and increasing youth riders. Scores on the routes pretty close, Oz's far worse as he took lots of 5s having bent his new bike! 125cc to 300cc takes a while to adjust to! Flo did well on her new steed, without the worry
