<p>Many thanks to Derek Strudwick, Frank Puttock and Richard Talbot who went above and beyond, clearing the land over a couple of days, to enable a trial to take place, and then another day setting out. Your efforts were greatly appreciated and the riders enjoyed themselves. Rowan riding with sore ribs took top place in the Experts, worth the pain!</p> <p>Stephen Strudwick, after a few years off, rode the Inters for a score of 4. Tony Dobbs and Jon Smith tied on 29 marks and cleans, but Tony went furthest clean. Another tie with Tony Talbot and Jack Vinall, a couple more cleans giving Tony an edge.</p> <p>Steve Baldock stayed clean all day on Reds,(great concentration Steve), closely followed by Anthony Read on 1 and Roger Strudwick on 2. Keith Strudwick was delighted to complete 4 laps and edged ahead of Steve Stretton on 2 more cleans, a total score of 6. Good to see you riding again. Thanks again to Frank and Pat Puttock and Richard Talbot for also observing and Derek for an overall eye on the sections. There was a lot of help to clear up so thanks to everyone who mucked in.</p> <p>A very successful day. Next trial will be 24 September at Rushlake Green, after our LDT which is on the 18th September.</p>
