Thanks to Steve Baldock, Flo Peach, Alan Peach and Steve Stretton for setting out the trial. Flo did a terrific job on the reds, they were deemed very good by the riders. Blues had criticism as being too hard for some riders and were eased off. As there were only 4 on this route, and 1 of these retired due to a mechanical problem, this may need further feedback when more ride that class. Good to see Alan back on his bike, after his terrible freaky accident, riding Blue until he is completely fit again. Some great white sections were laid out, but unfortunately not a single rider on that route to try them out. New member Mick Ridgway did well on the Yellow route and will soon be ready to step up a route when he has more experience. Thanks to Pat for observing on section 1 and Steve J and Steve B for clearing up plus anyone I have inadvertently omitted. Frank and Pat also helped Steve B to sort the flags. A shame our rider numbers were lower than usual, but I guess other pastimes are being enjoyed whilst the sun is out. Hope to see more of you in July. Please let Kevin Cornwall know if you are likely to attend the BBQ weekend in August so that we can ensure enough food will be ordered. This has to be done in advance of the event, so unless you book your BBQ places, food will not be available for you on the day, albeit you can still ride. Thank you.
