Hardy riders were let off bad weather shortly after the start when the light rain abated for the duration of the trial. The sections were testing with slippery conditions as depicted in the results. Ben S unlucky to break a master cylinder with about 5 sections to complete. Jon being coached round by Ben on Experts did well in the conditions. Alan Peach annihilated the Blues with his 'Expert'-ise, still respectful of his healing body. Cameron was not too shabby on blues either having not ridden for a while. Steve J familiarising himself with his new TRS steed scored higher than usual. Pete C making his comeback topped the reds, so must be chuffed. Oz had 2nd best score on the Blues, ready for Whites now? Flo Peach had the best score on Reds, great job! Brinley Jones on his Oset completed an EDMCC trial for the first time, well done you and Dad for making it happen. Mike also assisted James Hutton on his second trial managing to complete this time after lots of practice at home. Both these lads have joined the club so hope we will see more of you. Next trial is 30 December at Squirrel Wood to ride off the Christmas food. Keep an eye out for details and don't forget club membership renewal is due 1st January.
